## Arabian Perspectives and CONOW formalise their partnership

Oslo & Dubai, September 1<sup>st</sup> 2016: In the first collaboration of its type, Arabian Perspectives and CONOW have signed a partnership agreement, providing their clients with coverage stretching from Scandinavia to the Arab World.

“We share the same vision and both our companies thrive to provide a unique expertise: Joining forces will now allow us to offer an even higher quality of support” said Mario Stephan, founding director of Arabian Perspectives.

“We look forward to working together. This partnership will ensure a comprehensive level of services for all our clientele interested in the Arab World” commented Rolf Vestvik, partner at CONOW.

A new and exciting era unfolds now for both companies.

-The end-

### *About Us:*

Arabian Perspectives is a Dubai (UAE) based consultancy firm providing, reinforcing, and developing expertise and knowledge of the Middle East and North Africa (MENA) and Gulf Cooperation Council (GCC) regions.

CONOW is a center for international relations that assists its clients with knowledge and advice on country situations, government relations, corporate communications, security and emergency preparedness.
